CALCULATION OF SUBMITTAL OF ISSUE FEE

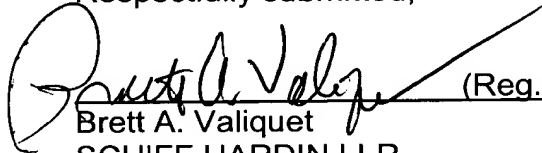

SIR:

In the attached issue fee transmittal, Applicant is paying a fee of \$20.00 for the issue fee. In the original Notice of Allowance dated June 18, 2004, the issue fee of \$665.00 was indicated, which was paid on or about July 8, 2004.

Subsequently, Applicant withdrew the case from issue. Now, the Examiner has issued a second Notice of Allowance dated November 5, 2004 indicating a large entity issue fee due of \$1370.00. However, on the original Notice of Allowance payment, Applicant indicated that it was a small entity and therefore paid the small entity \$665.00 fee due at that time.

Given the fee increase on October 1, the proper issue fee to be paid is thus the small entity fee of \$685.00 less the \$665.00 previously paid for a total of \$20.00. A check for \$20.00 is enclosed.

Respectfully submitted,

 (Reg.) #27,841)
